

# Galatians 2:11-21

Can you think of a time when you have been in the wrong, and someone told you about it in a good way?

**RECAP:** What is the gospel, according to Galatians?

## Listen

Read Galatians 2:11-21

1. What causes the disagreement between Peter and Paul?
2. Why did it have to be public?
3. What damage was Peter's actions causing?
4. What does it mean to be crucified with Christ?
5. What is the relationship of the law to the Christian life?
6. What impact does the gospel have on our lives, according to these verses?

## Make it real

1. How can we find ways to lovingly speak to our Christian friends who's lives do not match up to the gospel? (See Matt 7:15 and Matt 18:15-19)
2. Read Galatians 5:22-26. In what ways is God challenging you to walk what you talk?
3. How can we, as a church, work on and encourage one another in our faith that Jesus is Lord of **all** our lives?

## Prayer ideas

- Praise God for the simple truth of the gospel of grace
- Spend time reflecting in prayer the ways in which the Lordship of Jesus may need to be more obvious in various aspects of your life
- Pray for courage, and a safe atmosphere of grace, for Christians to gently encourage and challenge one another in our Christian lives, and pray against an atmosphere of judgement and lording it over one another
